

Creative writing online entry form for kids

This is where you can enter the MyTown Creative Writing Competition for Kids.

Conditions

To enter this competition you must be 17 years and under. You do not have to be a school student.

Your entry must be set in your **town** or **suburb** or **village**—a place that you think is special in some way and not like any other place in the whole of Australia.

You must have access to a computer.

Once you have typed in your details, completed your story (with a title) and submitted the form below, your entry will be forwarded to the judges' letterbox. Each week, depending on the entries received, our competition judges will select a number for **Commendable Effort** and **Encouragement Awards (3)**. These people will be informed by email. From these entries the best one will be published on the MyTown website under the Latest Winners section.

If you are 17 years or younger go to MyTown.open.com.au to see the competition conditions.
